## We need to do some work in your neighbourhood

Kia ora,

### Asphalt Resurfacing Night Works – Road Closure

Our role is to ensure that people can move around the city easily and safely. We carry out regular maintenance and repair work on the network so they can do this in an easy and efficient manner.

Where	Whitford Park Road Between 230 and 296 Whitford Park Road, Whitford (Road Closure between Sandstone Road and Brookby Road)
When (start date)	8 <sup>th</sup> April 2024 (weather permitting)
Hours of work	8pm – 5am
For (duration)	Four Nights

### The work we're doing

We're doing Asphalt Resurfacing to maintain and improve your neighbourhood and to keep our communities safe. The drawings overleaf show where we'll be working.

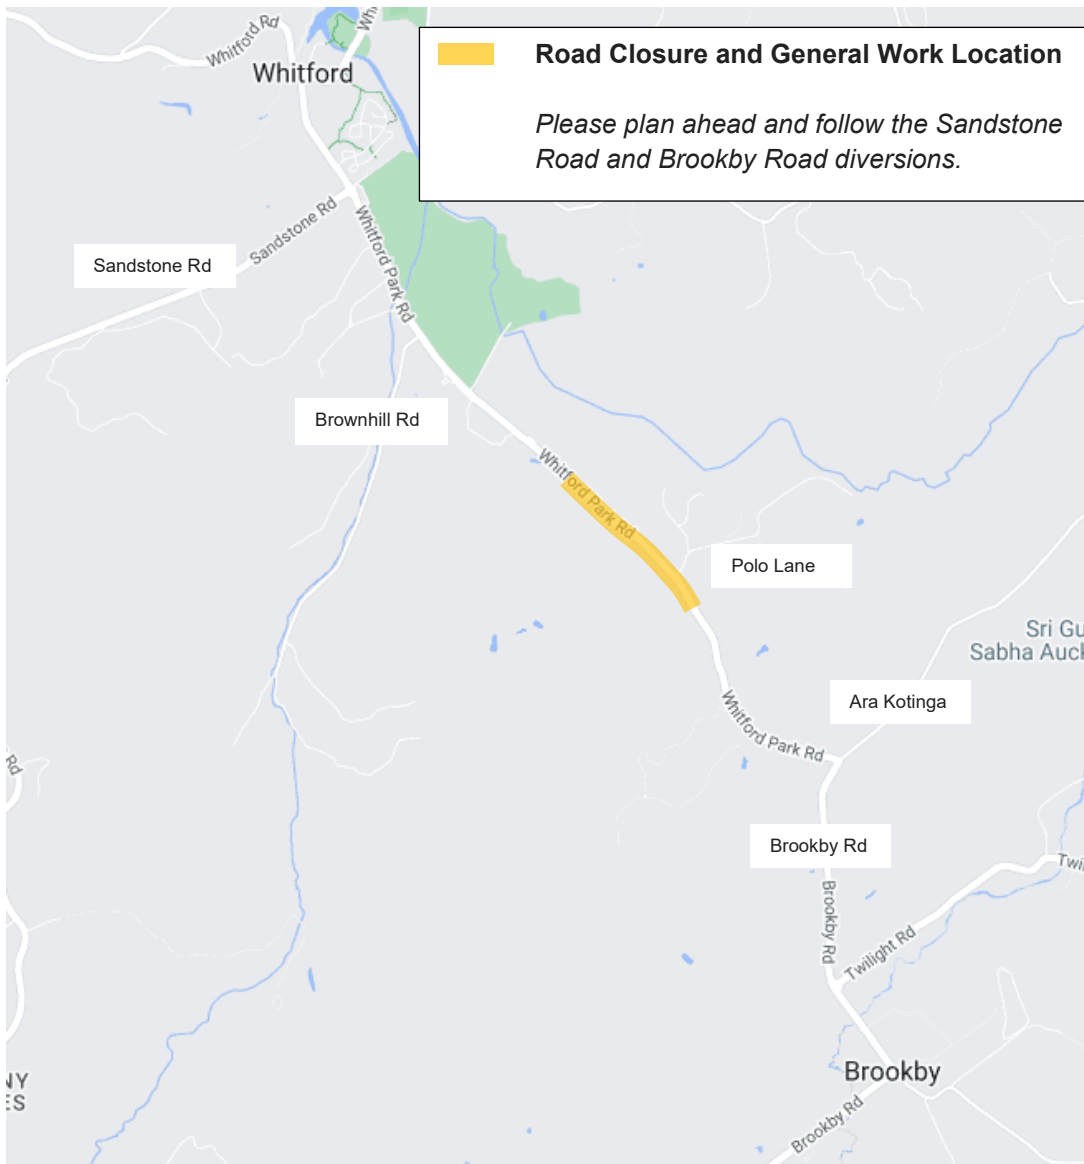

We'll do our best to start the work on time. Factors such as wet weather could mean a delayed start. If the delay is significant, we'll notify you.

We know our work can be a bit loud, and that noise – particularly at night – can be disrupting. We try our best to avoid working at night but sometimes it is necessary in order to avoid wider disruption on the network or to get the job done faster. If we have to work at night, we'll do our best to keep noise levels down.

### We'll handle traffic flow in and out of the area, and any detours

We will need to close Whitford Park Road and set up detours. Please plan ahead and think about using another route. We'll set up signs that give traffic directions for surrounding roads. If you live somewhere along a closed road, traffic controllers at either end of the road will help you. Please follow all signs, light signals and traffic directions.

## Work Location Map

## Contact Us

Get in touch with us on 09 355 3553 if you have any questions or concerns about this work.

To learn more about how we maintain roads go to our website: [Road works & disruptions \(at.govt.nz\)](https://www.at.govt.nz/road-works-disruptions)

Thank you for your understanding and co-operation whilst we carry out these essential works.

Ngā mihi,

Delivery Engineer: Michael Uini
